FARM NEWS

The grass is green and growing so don't forget to do some mowing. To make that a bit easier, a lawn mower is now available to use. It will be kept in the Turkey Shoot building. Your gate key will unlock the door. If you use it....please replace the gas and put it back in the Turkey Shoot building. No excuses folks for not mowing your grass.

THANK YOU

We appreciate the support for our first ever Roadkill Game Night May 15th. It was a fun night full of winners, losers and laughs. We'll be doing it again so watch the news! Who knows what kind of twists and tweaks we'll come up with next time. And, you can bet --- 'somebody' will go rogue!

NFL SUNDAY KITCHEN 2021

In the summer of 2010 we brought in TV's, added the NFL ticket and got the kitchen ready for the games to begin that September. The goal was to provide a place for the membership (and their guests) to get good food at affordable prices, and watch some football, or to just enjoy a Sunday out! The profits made have assisted with upgrades in the kitchen, useful equipment for the office and various other items over the years. We cannot thank you enough for your support of the kitchen and the Club. In a few short months we'll be starting our 12th year. Can you believe it's been that long already!! I've run the kitchen since its start in 2010 and I am gratified with its success thanks to so many of you. But....after 11 years it's time for me to take a break and for someone else to take over. The NFL Sunday Kitchen runs from the opening Sunday of football in September through the end of the regular season. We need someone willing to ensure all supplies are ready for Sunday's and that the kitchen is covered. (There are various work crews willing to sign up and help out with coverage.) I will go over everything you need to know so you will be ready to roll with it. If YOU can be that person....or persons....let a board member know, see me, or leave your name and number at the bar so we can contact you. WE NEED YOU! - Thank you, Sandy Wagner
