Season opens on September 25th, 2022 and closes on February 6th, 2023

1. Members, their spouses and their children and grandchildren that are under the age of 21 are all eligible to qualify for the privilege to hunt the NDA Farm. Those under the age of 21 must have a card-carrying member that is in good standing with them at all times while hunting.
2. All individuals must qualify with the weapon they are going to hunt with. If you use a compound bow and a crossbow you must qualify with both weapons,
3. To qualify, you must hit a 10" diameter target 4 out of 5 times from a distance of 20 yards.
4. There will be a \$10 NON-REFUNDABLE fee to qualify.
5. You can only attempt to qualify 1 time each season. Qualifying dates will be announced at the membership meetings as well as in your monthly newsletter.
6. After qualifications there will be a lottery held at the club to determine who will hunt what stand and what dates they will hunt. If you are drawn to hunt there will be a \$25 fee that must be paid before the deer hunting season starts. Failure to pay by the set date will forfeit your draw.
7. Hunters may trade their drawn dates with another hunter who was drawn but it must be approved by the committee and it must be done in 1-week increments.
8. There are 4 tree stands in place for hunters to use. You are not allowed to put up your own stand. You may hunt from the ground if you wish but you must stay within a 30-yard perimeter of the stand you were drawn for.
9. There are 18 weeks in the season. Lottery draws will be for 3-week sessions for each stand so there will be 6 draws for each stand. With 4 stands to draw for there will be a total of 24 draws in the lottery.
10. At the lottery drawing we will announce what stand and what dates we are drawing for then randomly draw a hunters name out for that session.
11. Each hunter is allowed ONLY ONE deer per season.
12. Only the committee will trim trees for improved shooting. If a hunter has an issue with any obstructions, they should contact the committee and address it with us.
13. All vehicles must be parked in either the main parking lot or the range parking lot. No vehicles are permitted to drive back to your stands for any reason including retrieving your deer. There is a deer cart in the turkey shoot building that you can use to retrieve your deer. Please be respectful with the cart as it is only loaned to us.
14. All hunters must always carry a permission form from the NDA while hunting.
15. All hunters must sign a release of liability form.
16. All Ohio hunting laws will be strictly adhered to. Any individual caught violating any Ohio law or club rule while hunting the NDA property WILL have their membership revoked and we will assist law enforcement with any prosecution if applicable.
17. All hunters must wear a 5-point safety harness while hunting from their tree stand. YOU MUST produce to us your harness that you will use either at the qualifier or the lottery drawing. Failure to do so will eliminate you from participating.
18. THE COMMITTEE HAS THE RIGHT TO MAKE CHANGES TO THE RULES AS THEY SEE FIT AT ANY TIME.
