HORSE RACES

A word of appreciation to the approximately 12 members who supported the horse race event on Nov 12th. Thank you as well to the four guests who came from Cincinnati and the few other guests in the Club that night who also participated. To the kitchen workers and those that helped put on the event....thank you. To those that 'owned' a horse, thank you, and congratulations to the winning owners. Organizing, preparing for and doing an event to promote support for the Club is more than a notion. To anticipate (and hope) that a good portion of the membership will take a few hours out of their month to support their club at an event is clearly setting ones sights too high.

FOOD DONATIONS

The NDA Ladies Auxiliary is requesting non-perishable food items to assist in creating Dinner Baskets for local needy families during the holiday season. A donation basket is by the front door at the Club with a list of suggested items. Your support is appreciated.

HELPING HAND BASKETS

In addition to food baskets this year the Ladies Auxiliary will be creating 'Helping Hand' baskets for some seniors and others who are on a fixed income. Many times that income makes getting even basic things a little tough. We'd like to help by putting together some baskets of simple items that could mean so much such as shampoo, tooth paste, laundry soap, dryer sheets, lotions...even toilet paper, etc. Anything you can donate would be appreciated. A list of suggested items will be with the basket by the front door.

TOYS FOR TOTS

Once again we are helping with the Toys for Tots drive. If you can help out....great! Just bring in a new, in the package, toy for a boy or girl. (Please....no stuffed animals.) A designated container is at the Club for donations. Thank you.
